

INDEPENDENT AUDITOR'S REPORT

To
The Members of
REXNORD ENTERPRISE PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Rexnord Enterprise Private Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, its loss (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for preparation of the other information. The other information comprises the information included in Company's Board's Report including annexures to the Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of written representations received from the directors as on 31 March 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023, from being appointed as a director in terms of Section 164 (2) of the Act;

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- g) With respect to the matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid/provided for any remuneration to its directors during the year.

- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion and to our best of our information and according to the explanations given to us:
- (a) The Company does not have any pending litigations which would impact its financial position;
- (b) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
- (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
- (d) i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e), as provided under (d)(i) and (d)(ii) above, contain any material mis-statement;
- (e) The Company has not declared or paid any dividend during the year therefore, the provisions of Section 123 of the Act are not applicable to the Company; and
- (f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is

applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORT – 31 MARCH 2023

Referred to in paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records, showing full particulars, including quantitative details and situation of Property, Plant and Equipment;

(B) The Company does not hold any Intangible Assets. Accordingly, the provisions of paragraph 3 (i)(a)(B) of the Order are not applicable to the Company;
 - (b) As explained to us, the Company has a program of physical verification of Property, Plant and Equipment so as to cover all the assets once every year which, in our opinion, is reasonable having regards to the size of the Company and nature of its assets. Pursuant to the program, Property, Plant and Equipment were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification;
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the financial statements are held in the name of the Company;
 - d) The Company has not revalued any of its Property, Plant and Equipment during the year; and
 - e) No proceedings have been initiated during the year or are pending against the Company as at 31st March 2023 for holding any benami property under the Prohibition of Benami Property Transactions Act 1988 as amended and rules made thereunder.
- (ii)
 - a) The Company does not hold any inventory. Accordingly, provisions of paragraph 3(ii) (a) of the Order are not applicable to the Company; and
 - b) According to the information and explanations provided to us, the Company has not been sanctioned any working capital limits during the year. Accordingly, the provisions of paragraph 3(ii)(b) of the Order are not applicable to the Company.
- (iii) According to the information explanation provided to us, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of paragraph 3(iii) of the Order are not applicable to the Company.
- (iv) The Company has, during the year, neither granted any loan and given any guarantee or provided any security in connection with a loan nor made any investment covered under the sections 185 and/or 186 of the Act. Accordingly, the provisions of paragraph 3(iv) of the Order are not applicable to the Company.

- (v) The Company has not accepted any deposit or amount which are deemed to be deposits during the year in accordance with the provisions of sections 73 to 76 of the Act and rules framed there under. Accordingly, the provisions of paragraph 3 (v) of the Order are not applicable.
- (vi) The Central Government has not prescribed the maintenance of cost records under sub section 1 of Section 148 of the Act for the year under audit. Accordingly, the provisions of paragraph 3 (vi) of the Order are not applicable to the Company.
- (vii) (a) On the basis of books and records examined by us, amount deducted/accrued in the books of account in respect of undisputed statutory dues including goods and services tax, provident fund, employees state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities. There are no arrears of undisputed statutory dues as at the last day of financial year concerned, outstanding for a period of more than six months from the date they became payable; and
- (b) On the basis of books and records examined by us, there are no statutory dues referred to in sub clause (a) above which have not been deposited with appropriate authorities on account of any dispute.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) a) On the basis of selective checks carried out during the course of audit, we are of the opinion that the Company has not defaulted in the repayment of loans and other borrowing and in the payment of interest thereon.
- b) The Company does not have any borrowing from any bank or financial institution or the government and government authorities. Accordingly, the provisions of paragraph (ix)(b) of the Order are not applicable to the Company;
- c) In our opinion, the unsecured loan from Holding Company was applied for the purpose for which the loan was obtained;
- d) On an overall examination of the Financial Statements of the Company, funds raised on short-term basis have, prima facie, not been used for long-term purposes by the Company; and
- e) The Company does not have any subsidiary, associate or joint venture. Accordingly, provisions of paragraph (ix)(e) & (f) of the Order are not applicable to the Company.
- (x) a) As per the records of the Company, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, provisions of paragraph 3(x)(a) of the Order are not applicable to the Company.
- b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally convertible) during the year. Accordingly, provisions of paragraph 3(x)(b) of the Order are not applicable to the Company.

- (xi) a) According to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of our audit;
- b) No report under sub-section 12 of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed in rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto date of this report; and
- c) As per the records of the Company, no whistle blower complaint has been received by the Company during the year and upto date of this report.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, provisions of paragraph 3(xii) of the Order are not applicable to the Company.
- (xiii) According to the information and explanations given to us, transactions with the related parties are in compliance with Section 177 and Section 188 of the Act as applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) The Company is not required to have internal audit in terms of the provisions of section 138 of the Act. Accordingly, the provisions of paragraph (xiv) of the Order are not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, provisions of paragraph 3(xv) of the Order are not applicable to the Company.
- (xvi) a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, provisions of paragraph 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Direction 2016) and accordingly, provisions of paragraph 3 (xvi) (d) of the Order are not applicable to the Company.
- (xvii) Based on the overall review of the financial statements, the Company has incurred cash losses Rs. 3.69 lakhs during the financial year under audit and Rs. 6.47 lakhs during the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of the realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however state that this is not an assurance as to future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The provisions of section 135 of the Act are not applicable to the Company. Accordingly, the provisions of paragraph (xx) (a) to (b) of the Order are not applicable to the Company.
- (xxi) The reporting under clause (xxi) is not applicable in respect of audit of financial statements of the Company. Accordingly, no comment has been included in respect of the said clause under this report.

ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT – 31 MARCH 2023

Referred to in paragraph 2A(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of **Rexnord Enterprise Private Limited** ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial control with reference to financial statements were operating effectively as at 31 March 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

REXNORD ENTERPRISE PRIVATE LIMITED
STATEMENT OF CASH FLOW FOR THE YEAR ENDED 31ST MARCH 2023

Particulars	(Amount in Rs. Lakhs)	
	For the year ended 31.03.2023	For the year ended 31.03.2022
A) CASH FLOWS FROM OPERATING ACTIVITIES		
Profit before tax	(6.89)	(10.09)
Adjustments for		
Depreciation and amortization	3.20	3.62
Interest income	0.00	0.00
Dividend income	0.00	0.00
Interest and other borrowing costs	2.14	2.17
Operating profit before working capital changes	(1.55)	(4.30)
Adjustments for :		
Trade receivables	0.00	0.00
Other receivables	0.00	0.32
Trade payables	0.00	0.30
Other payables	0.01	(0.26)
Cash generated from operations	(1.54)	(3.94)
Direct taxes paid	0.00	0.03
Cash flow before extraordinary items	(1.54)	(3.91)
Extraordinary items	0.00	0.00
NET CASH FROM/(USED IN) OPERATING ACTIVITIES	(1.54)	(3.91)
B) CASH FLOWS FROM INVESTING ACTIVITIES		
Proceeds from sale of tangible assets	0.00	0.00
Purchase of tangible assets	0.00	0.00
Interest income	0.00	0.00
Dividend income	0.00	0.00
NET CASH FROM/(USED IN) INVESTING ACTIVITIES	0.00	0.00
C) CASH FLOW FROM FINANCING ACTIVITIES		
Proceeds from issue of share capital	0.00	0.00
Proceeds from long term borrowings	14.00	5.00
Repayment of long term borrowings	(9.00)	0.00
Interest and other borrowing costs	(2.14)	(2.17)
NET CASH FROM/ (USED IN) FINANCING ACTIVITIES	2.86	2.83
NET INCREASE IN CASH AND CASH EQUIVALENTS (A+B+C)	1.32	(1.08)
OPENING BALANCE OF CASH AND CASH EQUIVALENTS	1.04	2.12
CLOSING BALANCE OF CASH AND CASH EQUIVALENTS	2.36	1.04

Notes :

1. The above cash flow statement has been prepared under the indirect method as set out in Indian Accounting Standard 7 on "Statement of Cash Flow" notified u/s 133 of Companies Act, 2013 ("Act") read with relevant rules issued thereunder and the relevant provisions of the Act.

2. Change in liability arising from financing activities

Particulars	Non-current borrowing
Balance as at 1st April 2021	23.00
Net cash flows	5.00
Balance as at 31st March 2022	28.00
Balance as at 1st April 2022	28.00
Net cash flows	5.00
Balance as at 31st March 2023	33.00

3. Refer Note no. 5 for details of cash and cash equivalents.

4. All figures in brackets reflects cash outflow.

Note 1: CORPORATE INFORMATION

Rexnord Enterprises Private Limited ("the Company") is a private limited company domiciled in India with its registered office located at 92-D, Government Industrial Estate, Sahyadri Nagar, Charkop, Kandivali (West), Mumbai-400067. The Company incorporated on 8th February 2018 with the objectives of the carrying on the business as dealer in various goods such as dry fruit, foodstuffs, gift team, fans & motors etc. and also to purchase, sell, hold land (including agriculture land), properties for irrigation, cultivation and development.

Rexnord Electronics and Controls Limited owns 100% of the Company's equity share capital as at March 31, 2023.

Note 2: SIGNIFICANT ACCOUNTING POLICIES

2.1) BASIS OF PREPARATION

A) Statement of Compliance

- a) These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- b) The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.
- c) The financial statements of the Company for the year ended 31st March, 2023 were approved for issue in accordance with the resolution of the Board of Directors on 29th May 2023.

B) Basis of Measurement

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) that are measured at fair value (refer accounting policy regarding financial instruments); and
- biological assets – measured at fair value less cost to sell

C) Functional and Presentation Currency

These financial statements are presented in Indian Rupees, the functional currency of the Company. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency').

D) Use of Estimates

- a) The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities prospectively.
- b) Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes
 - i. Recognition of deferred tax assets - Note 4
 - ii. Measurement of Biological assets - Note 2.17

E) Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for, both financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the note 22 – financial instruments.

2.2) REVENUE RECOGNITION

The Company derives revenues from sale of agriculture produce.

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the retrospective effect method. The adoption of the new standard did not have a material impact on the Company.

Sale of goods

Revenue from sale of products is recognised when control of the products has transferred, being when the products are delivered to the customer. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the risks of loss has been transferred, and either the customer has accepted the products in accordance with the sales contract, or the Company has objective evidence that all criteria for acceptance have been satisfied. Sale of products include related ancillary services, if any.

2.3) EMPLOYEE BENEFITS

a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short-term employee benefits. Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Short-term benefits such as salaries, wages, bonus, ex gratia, short-term compensation absences, etc., are determined on an undiscounted basis and recognized in the period in which the employee renders the related service.

b) Post-employment benefits

Defined contribution plans

Obligations for contributions to defined contribution plans such as Provident Fund maintained with Regional Provident Fund Office is expensed as the related service is provided.

Defined benefit plans

The following post – employment benefit plans are covered under the defined benefit plans:

• **Gratuity**

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income.

c) Other long-term employee benefits

Compensated absences

The Company does not have any leave encashment policy. Further any unutilized leave at the end of the year is lapsed and not eligible for carry forward.

2.4) FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION

Transactions in foreign currencies are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items (assets and liabilities) are restated using the exchange rate prevailing at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to finance costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

2.5) ACCOUNTING FOR TAXES ON INCOME

Income tax expense for the period comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable on the taxable income for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves. Unrecognized deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

MAT credit entitlement is recognized and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

2.6) PROPERTY, PLANT & EQUIPMENT

Property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of profit and loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of profit and loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

2.7) INTANGIBLE ASSETS

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

2.8) RESEARCH AND DEVELOPMENT EXPENDITURE

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

2.9) DEPRECIATION

Depreciation on Property, Plant & Equipment is provided on straight line method at the rates and in the manner specified in Schedule II to the Companies Act, 2013. In the case of revalued assets, depreciation is calculated on straight line method on the revalued amounts as determined by the valuer.

Depreciation on Property, Plant & Equipment added/disposed off/discarded during the period has been provided on the pro-rata basis with reference to the date of addition/disposal/discarding.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

2.10) AMORTIZATION

Intangible assets (Application Software) acquired by the Company are amortized on a straight-line basis over its useful life i.e. three years, as decided by the management.

Amortization methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

2.11) BORROWING COSTS

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

2.12) LEASES**As a lessee:**

The Company assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: i) the contract involves the use of an identified asset ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for short-term leases (leases with a term of twelve months or less), leases of low value assets and, for contract where the lessee and lessor has right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases, are recognized as an operating expense on a straight-line basis over the term of the lease.

At commencement date, lease liability is measured at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use assets is initially recognized at the amount of the initial measurement of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

As a lessor:

Leases for which the Company is a lessor is classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease.

All other leases are classified as operating leases.

Income from operating leases where the Company is a lessor is recognized as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Standalone Balance Sheet based on their nature. Leases of property, plant and equipment where the Company as a lessor has substantially transferred all the risks and rewards are classified as finance lease. Finance leases are capitalized at the inception of the lease at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rent receivables, net of interest income, are included in other financial assets. Each lease receipt is allocated between the asset and interest income. The interest income is recognized in the Standalone Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the asset for each period.

2.13) PROVISION, CONTINGENT LIABILITIES & CONTINGENT ASSETS

Provisions are recognized when the Company has a present obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability. The company does not recognize a contingent liability but discloses its existence in the financial statement.

Contingent assets are neither recognized nor disclosed in the financial statements.

2.14) IMPAIRMENT OF NON-FINANCIAL ASSETS

At each reporting date, the Company reviews the carrying amounts of its non-financial assets (other than deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or Cash generating units ("CGU"). The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount. Impairment losses are recognised in profit or loss. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

2.15) EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period and for all years presented is adjusted for events such as bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.16) INVENTORIES

Inventories are valued at lower of cost and estimated net realizable value. Obsolete, defective and unserviceable stocks are provided for. Materials-in-process are valued at raw material cost and estimated cost of conversion. Cost of finished goods includes conversion and other costs incurred in bringing the inventories to their present location and condition

Cost of Inventories is computed on FIFO basis. Goods in transit, if any, are stated at actual cost incurred upto the date of balance sheet.

2.17) BIOLOGICAL ASSETS

Biological assets are measured at fair value less costs to sell, with any change therein recognized in the Statement of Profit and Loss.

2.18) FINANCIAL INSTRUMENTS

I. FINANCIAL ASSETS

A) Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset. Trade receivables and debt securities are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

B) Classification and subsequent measurement

- a) **Amortized cost:** A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- b) **Fair value through other comprehensive income (FVTOCI):** A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- c) **Fair value through profit and loss (FVTPL):** A financial asset which is not classified in any of the above categories is measured at FVTPL.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

C) Cash and bank balances

- (i) Cash and cash equivalents which includes cash in hand, deposits held at call with banks and other short-term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of three months or less from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.
- (ii) Other bank balances which include balances and deposits with banks that are restricted for withdrawal and usage.

D) Impairment of Financial Asset

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

For financial assets other than trade receivables, as per Ind AS 109, the Company recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

E) Income recognition**Interest income**

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Dividend income

Dividend income from investments is recognised when the right to receive payment has been established.

II. FINANCIAL LIABILITIES**A) Initial recognition and measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are classified as either held at a) fair value through profit or loss, or b) at amortized cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

B) Classification and subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

III. DERECOGNITION OF FINANCIAL INSTRUMENTS

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

IV. OFFSETTING OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

2.19) SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

2.20) RECENT INDIAN ACCOUNTING STANDARDS (IND AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require entities to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general-purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how entities account for deferred tax on transactions such as leases and decommissioning obligations. The amendment narrows the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Note 22 Financial Instruments and Risk Review

A) Financial Instruments
Fair value measurement hierarchy

The fair value of financial instruments as below have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows

Level 1: Quoted prices (unadjusted) in active markets: This level of hierarchy includes financial assets or liabilities that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Valuation techniques with observable inputs: This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Valuation techniques with significant unobservable inputs: This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following tables presents the carrying value and Fair value measurement hierarchy of each category of financial assets and liabilities

	Carrying Amount	Level 1	Level 2	(Amount in Rs. Lakhs) 31.03.2023 Level 3
Financial Assets				
Financial assets measured at amortised cost				
Cash and cash equivalents	2.36	0.00	0.00	0.00
	2.36	0.00	0.00	0.00
Financial Liabilities				
Financial liabilities measured at amortised cost				
Borrowings	33.00	0.00	0.00	0.00
Trade payables	0.29	0.00	0.00	0.00
Other financial liabilities	0.34	0.00	0.00	0.00
	33.63	0.00	0.00	0.00

	Carrying Amount	Level 1	Level 2	31.03.2022 Level 3
Financial Assets				
Financial assets measured at amortised cost				
Cash and cash equivalents	1.04	0.00	0.00	0.00
	1.04	0.00	0.00	0.00
Financial Liabilities				
Financial liabilities measured at amortised cost				
Borrowings	28.00	0.00	0.00	0.00
Trade payables	0.29	0.00	0.00	0.00
Other financial liabilities	0.35	0.00	0.00	0.00
	28.64	0.00	0.00	0.00

Valuation

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent.

Financial assets and liabilities measured at fair value as at Balance Sheet date;

- (i) Short-term financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
(ii) Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

B) Financial Risk Management Framework

The Company has exposed to a variety of financial risks, namely liquidity risk and credit risk. The Company's management and the Board of Directors has the overall responsibility for establishing and governing the Company's risk management framework and are responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly.

Note 22 Financial Instruments and Risk Review (Continued)

(i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. Financial instruments that are subject to credit risk principally consist of cash and cash equivalents. None of the financial instruments of the Company result in material credit risk.

The cash and cash equivalents are held with the bank who has been assigned high credit rating by rating agencies and hence the credit risk with respect to it is very low.

The Company's maximum exposure to credit risk as at 31st March, 2023 and 31st March, 2022 is the carrying value of each class of financial assets.

(ii) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The following table shows a maturity analysis of the anticipated cash flows for the Company's financial liabilities

Particulars	(Amount in Rs. Lakhs)		
	Carring Value	0-1 years	31.03.2023 above 1 years
Borrowings	33.00	0.00	33.00
Trade payables	0.29	0.29	0.00
Other financial liabilities	0.34	0.34	0.00
	<u>33.63</u>	<u>0.63</u>	<u>33.00</u>

Particulars	31.03.2022		
	Carring Value	0-1 years	above 1 years
Borrowings	28.00	0.00	28.00
Trade payables	0.29	0.29	0.00
Other financial liabilities	0.35	0.35	0.00
	<u>28.64</u>	<u>0.64</u>	<u>28.00</u>

(iii) Market risk

Market risk is the risk that the changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long-term debt. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a) Currency risk

The Company is not into any export and import activities and accordingly not subject to any foreign currency risks.

Interest Rate Risk

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Company's cash flows as well as costs. The Company is subject to variable interest rates on some of its interest bearing liabilities. The Company's interest rate exposure is mainly related to borrowing obligations.

The interest rate profile of the Company's interest-bearing financial liabilities is as follows.

	(Amount in Rs. Lakhs)	
	31.03.2023	31.03.2022
Long term borrowing-fixed rate instruments	0.00	28.00
Long term borrowing-floating rate instruments	33.00	0.00
	<u>33.00</u>	<u>28.00</u>

Fair value sensitivity analysis for fixed-rate instruments

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Impact on Interest Expenses for the year on 1% change in Interest rate

	(Amount in Rs. Lakhs)	
	31.03.2023	31.03.2022
1% Increase in interest rates		
Impact on Statement of profit and loss	(0.33)	0.00
1% Decrease in interest rates		
Impact on Statement of profit and loss	0.33	0.00

Note 23 Segment reporting

The Company is engaged in the business of agriculture activities. The company's financial statements are consolidated with the financial statements of its parent M/s Rexnord Electronics and Controls Limited. In terms of para 4 of Ind AS 108 "Segment Reporting" no disclosures related to segments are required in Standalone financial statements.

Note 24 Related Party Disclosures:

- i) Names of related parties and description of relationships
a) Holding Company
Rexnord Electronics and Controls Limited (100%)

- ii) Transactions during the year and balances outstanding as at period end with the related parties are as follows:

Particulars	Volume of transaction		(Amount in Rs. Lakhs)	
	From 1st April 2022 to 31st March 2023	From 1st April 2021 to 31st March 2022	Balance as at 31.03.2023	31.03.2022
Interest Expenses				
Rexnord Electronics and Controls Limited	2.14	2.17	0.00	0.00
Issue of share capital				
Rexnord Electronics and Controls Limited	0.00	0.00	200.00	200.00
Loan taken/(repaid) from/to holding company				
Rexnord Electronics and Controls Limited	14.00 (9.00)	5.00 0.00	33.00	28.00

Note: Related party relationship is identified by the Company and relied upon by the auditors

Note 25 Disclosure under Micro, Small and Medium Enterprises Development Act, 2006
On the basis of information and records available with the company, there are no micro and small enterprises, which have registered with the competent authority under the Micro, Small and Medium Enterprises Development Act, 2006.

Note 26 Employee Benefits Expense

The disclosures required under Indian Accounting Standard 19 "Employee Benefits" are given below:

(a) Defined contribution plan

Provisions of Employees Provident Funds and Miscellaneous Provisions Act, 1952 are not applicable to the Company as the Company does not have the requisite number of employees for applicability of the said Act.

(b) Defined benefit plan:

Gratuity:

The Company provides for gratuity for employees as per the payment of Gratuity Act, 1972. The provisions of the said Act are not applicable to the Company as the Company does not have the requisite number of employees for applicability of the said Act.

Note 28 Additional regulatory information required by Schedule III of the Companies Act 2013

- Investment property:** The Company does not have any investment property, therefore the disclosure of fair value of investment property based on the valuation by a Registered Valuer is not applicable to the Company.
- Valuation of PP&E and intangible assets :** The Company has not revalued its property, plant and equipment (including right-of-use assets) during the current or previous year.
- Loans and Advances in the nature of Loans to Promoters, Directors, KMPs and the related parties:** The Company has not granted loans and advances in the nature of loans to Promoters, Directors, KMPs and the related parties either severally or jointly with any other person.
- Details of Benami property:** No proceedings have been initiated or are pending against the Company for holding any Benami property under the Prohibition of Property Transactions Act, 1988 and the rules made thereunder.
- Willful Defaulter:** The Company has not been declared wilful defaulter by any bank or financial institution or Government and any Government Authority.
- Relationship with Struck off Companies :** The Company does not have any transaction/relationship with any struck off company.
- Registration of Charges or Satisfaction with Registrar of Companies:** The Company did not have any secured loan, therefore the disclosure required by Schedule III in this regard is not applicable to the Company.
- Compliance with number of layers of companies:** The Company has complied with the number of layers prescribed under the Companies Act, 2013 if applicable.
- Compliance with approved scheme(s) of arrangements:** The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.
- Utilisation of borrowed funds and share premium:**
 - The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries), or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
 - The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Company shall
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries), or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- Undisclosed income:** There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- Details of Crypto Currency or Virtual Currency:** The Company has not traded or invested in any crypto currency or virtual currency during the current or previous year.
